Basic Skill Competition April 13-15th, 2012

1. The basic skills competition is open to ALL skaters who are current eligible (ER 1.00) members of either the Basic Skills Program and/or are full members of U.S. Figure Skating. Members of other organizations (ISI) or beginner skaters are eligible to compete but must pay a \$10.00 fee at the time of registration in order to become registered guests of the host club (Central Florida Figure Skate Club).
2. Eligibility will be based on skill level as of closing date of entries. All **Snowplow Sam and Basic Skills 1-8 skaters** must skate at highest level passed or one level higher and NO official U. S. Figure Skating tests may have been passed including MIF or individual dances.
3. For the **Free skate 1-6, Test Track and Well Balanced levels**, eligibility will be based only upon highest free skate test level passed (moves in the field test level will not determine skater's competitive level). Skaters may skate at highest level passed OR one level higher BUT not both levels in the same event during the same competition.
4. It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee discovers that a skater has been placed in a category that is below their class level, the chairman and referee will have the option to move the skater into the proper division, even if this has to be done the day of the competition. This will ensure that every event is as fair as possible to the competitors. Please be sure to check for the director/instructor's signature confirming the level of the skater.
